When	By	What changed
2026-10-15 18:40	Admin	Deleted A720 Anna6.10 (no reason given). Preserved: 43 classes, 35 payable, 35 reports, earnings 3,208.45 - all still counted in teacher pay.
2026-10-15 18:40	Admin	Deleted A720 Anna10.7(6) (no reason given). Preserved: 3 classes, 1 payable, earnings 73.33. Its 2 pending makeups (Jan 2 and 5, 2027) are stranded.
2026-10-16 18:58	A30 - Kai	Enrolled A720 Anna10.7 (6) again: 78 sessions, Video (Kids) 20m. Approved by admin the same minute. This is the current account.

• **No class was hard-deleted.** Every filed report has its matching class record, and no class referenced by a report is missing.
• **No class was marked or changed by anyone other than the teacher.** All markings from Aug 8 onward were done by A30 - Kai (classes before Aug 8 came from the old system, which did not record who marked them).
• **13 reports were edited after filing** (Aug 11, 14, 21; Sep 4, 5, 8, 18, 19, 22; Oct 2, 3, 16, 20). These are content edits only and do not change pay.

Notes

• **Rate change from Oct 9:** account A720 Anna6.10 was set to 25 minutes (91.67 per class). The new enrollments A720 Anna10.7(6) and A720 Anna10.7 (6) are set to 20 minutes (73.33 per class), 18.34 less per class. This is correct if the parent bought 20-minute classes; if the class is still 25 minutes, the learning time on the current account must be corrected.
• **Makeups not paid (Jul-Sep):** the makeups for Jul 18, Aug 25, Aug 28, Aug 29, Sep 1, Sep 11, Sep 26 and Sep 29 were set on dates that already had a regular class (Tue/Fri/Sat) or were postponed themselves. The system records only one class per student per day, so if a double class was taught on those days only one was paid (e.g. Sep 22 carries the Jul 18 makeup, so that day's regular class has no separate pay). If all were actually taught, up to 8 x 91.67 = 733.36 is unpaid. This needs confirmation from the teacher or parent.
• **Sep 11:** first marked Present by the teacher, then unmarked and postponed the same night (audit log).
• **Oct 10 and Oct 13:** makeups are set for Jan 2027 on the deleted account A720 Anna10.7(6), so they will not appear on the teacher's schedule under the current account.
• Amounts use each account's current learning time, the same way the payout system computes them.

Not Yet Paid / Postponed Classes

Every class of A720 under Teacher A30 - Kai that has not been paid. A postponed class pays only when its makeup is taught and marked. **UNPAID** = makeup never paid; **PENDING** = makeup not yet due; **DONE** = makeup already taught and paid.
